

Lewis County is updating its Hazard Mitigation Plan (HMP)

What is the purpose of the HMP?

Recognize, Identify, and Assess Hazard Risk

Assemble data and analyze:
How do hazards affect us and why?

Develop a Mitigation Strategy with Actionable Solutions

Enhance the ability to recover from disasters with policies and actions that reduce risk and lessen disaster impacts

Provide for Public Awareness

Educate the public about potential hazards and seek input on how to address risk, and establish partnerships for community resilience

Improve the County's Eligibility for Funding Assistance

Satisfy FEMA requirements; seek and secure funding for hazard mitigation

The HMP was last approved in 2020 and is due for an update
