2026 Lewis County Fair Royalty

Queen Zoey Roemer

Hello! My Name is Zoey Roemer, and I am the 2026 Lewis County Fair Royalty Queen! I am the daughter of Dylan and Ally Roemer. It has been such a blessing to be given the opportunity to participate in the Lewis County Fair Royalty. I have gained more responsibility, confidence, friendships, and even grown a stronger relationship with my best friend. Princess Tylee Wilkins and I have been friends for sixteen years. We grew up saying we wanted to do royalty together. We knew from the beginning it was going to be a challenge and it was a challenge we were willing to take.

I am sixteen years old and a sophomore at Kamiah High School. 4-H has been a big part of my life, as I have been doing 4-H for six years. I had grown up going to the fair every year and watching my cousins show lambs. When I was ten years old, I decided to start showing lambs, and at thirteen, I decided to move to showing pigs. I am currently still showing pigs.

My favorite part about royalty was going to all the parades and seeing all the little girls smile and wave at us. It makes me

think back to when I was one of those little girls. Royalty is such a great experience. I would recommend it to all the girls out there. I would like to thank Shiloh Hand and Tylee Wilkins for making this year one I will remember the rest of my life. I want to thank my mom and dad for helping me have the opportunity to do royalty, along with helping to pull the float and setting up the float before each parade. I would like to thank Chris and Tara Wilkins for all of their help. We couldn't have done it without their help. Most importantly, thank you to all of our sponsors. We deeply appreciate it and couldn't do it without you! I hope to see you all at the fair!

Queen Zoey

Princess Tylee Wilkins

Hello,

My name is Tylee Wilkins and I am your Lewis County's 2026 princess. My parents are Chris and Tara Wilkins. I also have six older siblings and many young nieces and nephews. Being from such a large family and watching my sisters and cousins participate in Lewis County Fair Royalty themselves, it's been a very fun experience to get to follow in their footsteps. I've been enrolled in 4-H since I was five and this is my eleventh year, as I will be a sophomore in high school.

My favorite part of this whole royalty experience is all the little girls. I enjoyed their compliments, them copying our waves, and their smiles.

I would like to give a huge thank you to Shiloh Hand for always giving us reminders and all the support she's shown. I would also like to thank my dad for always giving Zoey and myself a place to work and all the tools we needed, my mom for always being there to fix our hair or fluff our dresses last minute, Queen Zoey along with her parents Dylan and Ally Roemer, the fair board and lastly all of our sponsors who made this year so successful.

This experience has taught me a lot of confidence and perseverance because even when it's tough to stand in front of that many people, you must work through it. Thank you again for everyone's support and helping us make this happen. I have always truly believed there are so many more good people than bad. Spending this past year in all the communities and towns of Lewis county made me positive. We are all so lucky to live where we do! Thank you to the all the people in Lewis County. We hope to see you at the Lewis County Fair, October 1st through the 4th. Don't forget the livestock auction Saturday, October 3rd at 5 p.m.

Sincerely- Princess Tylee.

Open Class Rules and Regulations

- The Fair Board will take all possible precautions for the safe preservation of all articles on exhibit, but will not be responsible for loss, damage or injury to any kind of property while the same is on exhibit. There will be no insurance on animals exhibited. All exhibits will be under the control and direction of the Fair Board while on exhibition. All persons attending the exhibits of the Fair Board do so at their own risk and the management will not be responsible in any manner for damage or injury to person or property or for any loss whatsoever.
- All exhibits shall be on display until check-out time, Sunday of the fair.
- All exhibits must have the **category, division (adult/youth), name and address** of the exhibitor attached. Entry tags will be provided at the time of entry or can be picked up at the fair office prior to the fair.
- Where there is only one exhibit in a class, the award shall be made on merit alone.
- Unworthy articles in open class will not receive premiums whether there is competition or not.
- Any articles for premiums must be entered in the name of the producer or owner. Articles having won at previous fairs or shows are not eligible for competition with the exception of animals. All animals must be entered in the name of the owner.
- Adult entries will be judged on the *American system* (first, second, third place ribbons will be awarded for each class/lot). Youth entries will be judged on the *Danish system* (entry judged on it's own merit with blue indicating "well done" red "okay" and white "needs work").
- Awards and premiums will be designated by ribbons of the following colors:

Superintendents Choice	None
Best of Show	None
Judge's Choice	None

First Place (Blue)	\$2.00
Second Place (Red)	\$1.50
Third Place (White)	\$1.00
Honorable Mention/Special	None

- **Premium checks will be mailed after the fair. Please cash them promptly.** If there is a problem with a premium check, it must be brought to the attention of the Fair Administrator ASAP.
- The Fair Board has the right to determine whether animals are safe for exhibition.
- All animals exhibited or brought to the fair grounds must be **disease-free**.
- Bedding for animals will be furnished by the Fair Board. The exhibitor must supply food and water and clean the cage.
- Allotment of space and management of each division will be in the hands of the superintendent of that division.
- Exhibits in the agronomy division must be produced during the growing season except for dry corn and beans harvested by the opening date of the fair and must be produced by the exhibitor.
- Any exhibitor who violates any of the above rules will forfeit all premiums.
- All protests on judging must be in writing and accompanied by a deposit of \$5 which will be forfeited if the protest is not sustained. Such protest must clearly state the cause of complaint or appeal in a timely manner, otherwise the decision of the judge is final.
- There will be a special needs category created in every category and division as needed.
- All exhibits for competition must be grown, raised or crafted in Lewis or the adjacent counties of Nez Perce, Idaho and Clearwater. Others may be entered for non-competitive display only.

CULTIVATING GROWTH™

What Judges Look For

Arts, Crafts, Needlework, Clothing

General Appearance: Neat, clean, over all appeal, design and pleasing to the eye.

Workmanship: Quality of work, precision, skillfulness, balance of color and design, attention to detail, difficulty of project, and appropriate to age of exhibitor.

Creativity: Choice of material, techniques, use of medium, uniqueness, originality and function.

Baked Foods

Yeast Breads: Should be completely baked, when pressed upon it should spring back out when pressure is removed.

Texture: Crumb should be slightly moist, tender, yet not crumble when compressed, light in weight, in proportion to size, even grain, when sliced bread should stay firm.

Color: Uniform golden brown color on outer crust and light tan color on the inside.

Crust: A standard loaf should be tender and of medium thickness. Wheat items should have a dark, firm crust. White flour items should have a dark softer crust with a soft white center.

Volume: Yeast items should be typically doubled in bulk from original dough size. It should be a tall loaf and a round full roll, not flat or square.

Flavor: Should be nutty, agreeable to taste, and with no suggestion of sourness.

Moisture: There should be moisture in the feel and taste of the item, but not be wet or soggy.

Uniformity: Should be consistent in size, such as rolls should all be equal size.

Cakes

Appearance: Even thickness and surface. Frosted cakes should have uniform icing. Unfrosted cakes should have level top.

Texture/Moisture: Even fine grain, moist, does not crumble when cut, springy when touched (exception: pound or bundt cake)

Volume: Should be high and light (unless pound or bundt cake).

Aroma: Pleasing, characteristic of type (e.g. white, yellow, chocolate).

Flavor: Delicate, pleasing not overwhelming characteristic of type, balanced between rich and sweet.

Food Preservation & Canning

Appearance: Free of mold, discoloration and blemishes, uniform in shape and size, holds shape well, clear liquids.

Pack: Good portion of liquids & solids, adequate head space, liquid covers product, little or no floating product.

Container: Use a clean container. Remove rings on the jars.

Label: Neatly placed not covering product, product name, processing method (e.g. pressure canner, boiling water, hot pack or raw), processing time, pounds of pressure, date of preparation.

Meat: Color normal for cooked product, pieces suitable size for serving/excess fat removed. Attractive adequate head space with adequate amount of jelly or broth. Jar should be a clean standard canning jar with seal.

Pickles: Bright in color and blemish free, of uniform size, shape and maturity, olive to yellow green cucumbers with white translucent interiors. Attractive proper head spacing liquid covers product, little to no floating product. Label neatly.

Dried Foods: The appearance and quality should have uniform shape and size, free from mold and moisture, free from large seeds, thick peels or cores, colored appropriate, dry enough for safe long term storage, lack of stickiness. Neatly labeled not covering product, that contains content, drying method, length of drying, pre-treatments used, and date of drying.

Fruits & Vegetables & Field Crops

Quality: In the best prime eating condition, not necessarily the biggest.

Condition: Clean. Free of blemish and disease.

Uniformity: All specimens uniform in size, ripeness, shape, & color.

Typical of Variety: Varieties should be identified.

Photography

Overall Appearance: Clean, securely attached to mat, mat color & style enhance photo.

Technique: Focus, lighting, color balance, depth of field and angle
Composition: Should capture the mood/spirit/life of the subject so viewer knows more about the subject after looking at the photo, balance of elements (subject the most prominent element of photo and background does not detract from subject).

Food Preservation & Canning

Superintendent: Kathy Harris

Superintendents will divide classes into lots as necessary.

*Standard canning jars-all same size and type-must be used for all exhibits, **WITHOUT RINGS**. (Exhibitors may exhibit more than 1 jar or 1 bag).

*All canning exhibits must have the following information on the entry: altitude, product name, date processed, processing method, and processing time.

*All jars must be washed and clean with no rings.

*If product was not processed according to approved recommendations, it will be disqualified.

A) Headspace must correspond to the fractions listed.

B) Air bubbles should be kept to a minimum. Gas bubbles denote spoilage and are identified by movement to the surface of the product while jar is stationary. Any entry exhibiting spoilage of any kind must be disqualified.

C) Product appearance: pieces should be uniform in size and packaged snugly but allow for circulation of liquid, free from

defects, blemishes, strings, stems, seeds, pits and peels, unless the recipe calls for them to remain and it is acceptable with approved guidelines.

D) Liquids should cover product in keeping with headspace guidelines and liquids should be clear and free from cloudiness and small particles.

E) Product should retain natural color or as nearly characteristic of standard cooked product, without undue color loss. Texture should be tender but not overcooked. Product should maintain its shape and size appropriate for recipe and preparation method.

F) Processing method and time for all entries must be heat processed according to current canning guidelines.

CANNING

*One jar, each 1 kind of fruit, vegetable, meat, pickles, jelly, jam or relish and vinegar. Pints, Quarts, or ½ Pints.

CLASS 1. Vegetables – 1/2” to 1”

CLASS 2. Fruits – 1/2”

CLASS 3. Meats – 1”

CLASS 4. Pickles – 1/4” to 1/2”

CLASS 5. Pickled Vegetables – 1/4”-1/2”

CLASS 6. Jelly – 1/4”

CLASS 7. Jam – 1/4”

CLASS 8. Relish – 1/4”

CLASS 9. Salsa – 1/4 - 1/2”
(must include recipe)

CLASS 10. Syrup – 1/8”

CLASS 11. Sauces – 1/2”

CLASS 12. Cakes in a jar – 1/2” to 1”

CLASS 13. Fruit Juice – 1/8”

CLASS 14. Pie Filling – 1/2” to 1”

Fraction denotes approximate headspace needed!

VINEGARS

*Vinegars must be in jars and processed in a water bath for 10 minutes and the lids sealed. Those vinegars that are corked are for immediate use only, and may be displayed in bottles.

*All vinegars must be labeled.

CLASS 1. Herb

CLASS 2. Spiced

Flower Exhibit

Superintendents: Lorna Inglet & Susan Meek

Superintendents will divide
classes into lots as necessary.

THEME: “*From the Forest to the Field to the Fair*”

FAIR COLORS:

NOTE: Sticker ribbons will be awarded.

RULES:

1. Read general rules and regulations governing this Fair.
2. This is a Standard Flower Show open to all amateur flower growers and designers from Lewis, Idaho, Clearwater and Nez Perce counties.
3. Provide a clean, clear glass container proportional to size of entry and identified with name and address taped to bottom. Return address labels are recommended for convenience in labeling container and ease of filling out entry cards; preferable prior to entering.
4. Entries in horticulture must be grown by the exhibitor, named if possible and should be fresh, clean, free of pests and have foliage attached. Specimen may be wedged into container using wood, stem, tape or foam to hold exhibit upright. Do not leave any foliage below the water line. **When a spray is required, it is a group of flowers on one stem - not a branch.**
5. All classes will be color classed as needed; when there are more than 5 entries. All named varieties in each class will be judged against each other.
6. Exhibitor may enter more than one entry per class provided each is of a different variety, type or color.
7. Entries in Artistic Design must be the work of the exhibitor, but plant material need not be grown by exhibitor. All designs must contain some plant material. Artificial flowers and foliage not permitted. Dried plant material may be treated. Accessories may be used.
8. Special ribbons will be given if merited and if exhibit is named.
9. Due to the lateness of the fair, dried specimens of roses, marigolds or any other dried flower of merit may be accepted.
10. Any exhibit not in accordance with the rules will be placed on non-competitive display.
11. To enhance the public's appreciation of the exhibit, please try to name the flower variety on the entry form.
12. High School Division (Ages 15-18). Junior Division (Ages 6-14). Age MUST be on entry ticket. Use same horticulture schedule as adults. May enter any class of Horticulture and/or Artistic Design, using the schedule.
13. Pre-Junior Division (Ages 5 and Younger). May enter any class of Horticulture and/or Artistic Design, using the schedule. Participation ribbon is awarded.

THANK YOU
TO ALL
LEADERS!!

2025 Leader of the Year Misty Perry

I've been honored to serve as a 4-H leader for the past six years, working with both small and large clubs across a variety of non-animal projects as well as serving as a sheep project leader. Over the last two years, I have had the privilege of serving as the 4-H Leaders Council President. My absolute favorite part of 4-H is watching our youth dive into their projects, discover new talents, and step up to teach and encourage the younger kids. Seeing their hard work come together at the fair each year is the best reward. Enjoy the fair, and be sure to support all of our hard-working youth!
